FREQUENTLY ASKED QUESTIONS

Question

Can I purchase bulk tickets through webtickets and will I still receive the discount?

Yes you can, *but only to 149 tickets, thereafter please contact either Carmen or Eddy*

Question

Do I have to take all the tickets for the same performance?

No, if you want to split the booking over a couple of nights, we have no problem, but speak to us

Question

When do I get the tickets?

We will get you to sign a contract and pay 20% deposit when you collect the tickets and the balance is payable two weeks before the performance date. All tickets on reserve must be redeemed by 15 May 2025.

Question

Can I return tickets we have not managed to sell?

No, we prefer you to initially take fewer tickets, sell them and then take more. The trick is to start selling early

Question

Can I bring the entire family, my parents and teenage children?

There is nothing risqué about the show, no nudity or vulgar acts, though we have a PG 16 advisory, you decide if your teenage children can enjoy a comedy show. We bill The Jive Cape Town Funny Festival as a great night out

Question

Can I book a group booking for the last two weekends, namely 20, 21 & 22 and 27, 28 & 29?

Only by special arrangement

Question

What does *full festival* mean under the performer's photo?

It means that that performer will be on every show. Photos with dates under them, mean that they will perform from that date to the next.
